DISCLOSURE

iPeople, inc. President Dr. Reynaldo B. Veja confirmed that the Commission on Higher Education (CHED) approved on May 9, 2017 the application of the Mapua Institute of Technology for University Status. The award was formally received by Mapua on May 18, 2017.

Mapua Institute of Technology is one of the premier schools in the Philippines, reputed for its strong Engineering programs, eight of which are now recognized as Centers of Excellence (COE) and one as a Center of Development (COD) by the Commission on Higher Education (CHED). Four of its Engineering programs were also granted full accreditation by the Philippine Technological Council – Accreditation and Certification Board for Engineering and Technology (PTC-ACBET), the Philippine representative to the Washington Accord, an international accreditation-standards-setting body.

The grant of university status caps a protracted process of quality enhancement in Mapua education and of research capability building. “We feel fulfilled and honored by this award. It behooves us to strive to reach even greater heights,” says Mapua President Reynaldo B. Veja.

iPeople, inc. is a subsidiary of House of Investments, Inc., a member of the Yuchengco Group of Companies, and is traded under the symbol “IPO” at the Philippine Stock Exchange.
